

(q)PCR Closure options

8-cap strips | 12-cap strips | 96-cap strip mats | seals

All cap strips

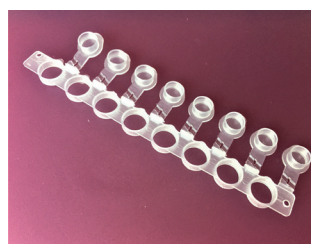

- Can close all BIOplastics (q)PCR tubes, strips & plates
- Are available in ultra clear

8-cap strips

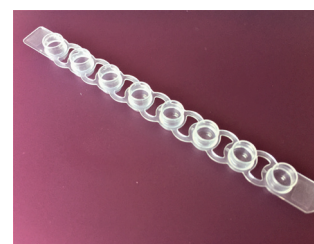

[B75701-1](#)

Extra robust, indented flat cap-strip
Great solution for storing samples

[B79501](#)

8-single attachable indented caps
Ideal for real-time applications in combination with white or frosted tube strips
Can close BIOplastics products: B77001-11
K77001-11 B 77101-11
K77101-11

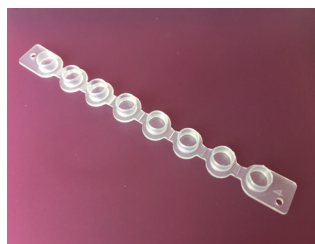

[C79701](#)

Semi domed cap-strip

8 cap-strips with

Optical wide area indented caps

Indented caps greatly reduce potential contamination by hands

[B79701-1](#)

Robust, yet flexible cap-strip

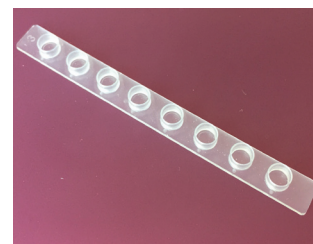

[B79721](#)

Flexible strip through thin cap to cap connections
Easy to cut with scissors or knife

[B57881](#)

Strip with flexible connections between the caps
Extra secure closure

[B57801](#)

Extra robust strip

Designed and manufactured in The Netherlands. Samples on request.

BIOplastics

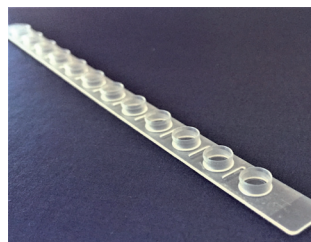

(q)PCR Closure options

8-cap strips | 12-cap strips | 96-cap strip mats | seals

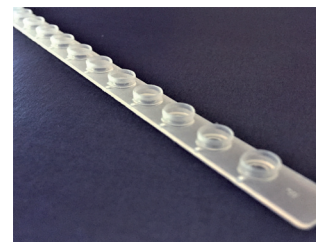

12-cap strips

B57861
Optical wide area
indented flat cap-strip
Robust, yet flexible

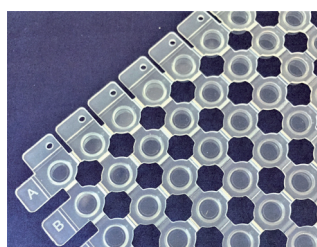

B57821
Optical wide area
indented flat cap-strip
Robust strip

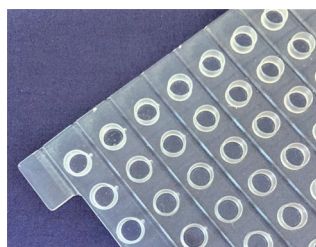

B56501
Robust, indented flat
cap-strip
Great solution for storing
samples

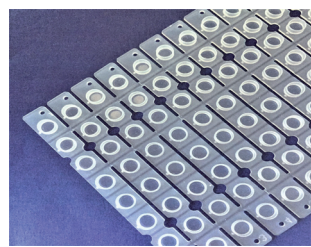

Cap-plates & mats

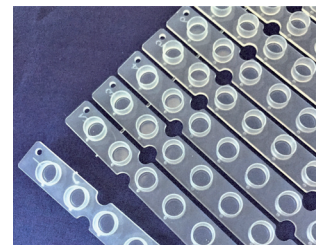

B57701
96-cap Transformer™
plate
Easy to cut into any
required format

B57601
96-cap plate with wide
area indented flat caps
Easy to cut with scissors
into any required format

B57751
Optical cut-off 8-cap strip
mat (12 x 8)
Strips are attached to
each other with hinges
Can be cut in one or multi-
ples 8-cap strips or two or
multiples 12-cap strips

B57651 12 x 8-cap
B58671 8 x 12-cap
Tear Off strip mat
Strips are slightly at-
tached to each other so
you can easily tear off one
or multiples 8- or 12-cap
strips

Designed and manufactured in The Netherlands. Samples on request.

Seals

Optical seals are very easy to apply & remove
Three variations:

[157300](#)

Optical sealing sheet

[157300L](#)

Optical sealing sheet Laser Marked

[157400](#)

Optical sealing sheet | deidable in strips to close (multiples of) 8 wells

Product description	Order number	Packaging
8-cap strips		
EU robust indented flat 8-cap strip	B75701-1	120 strips
EU 8-single attachable indented caps	B79501	120 strips
EU semi domed 8-cap strip*	C79701	120 strips
EU optical robust flat 8-cap strip	B79701-1	120 strips
EU optical flat 8-cap strip	B79721	120 strips
EU optical wide area 8-cap strip	B57881	120 strips
EU optical wide area 8-cap strip	B57801	120 strips
12-cap strips		
EU optical standard flat 12-cap strip	B57861	80 strips
EU optical wide area 12-cap strip	B57821	80 strips
EU optical indented flat 12-cap strip*	B56501	80 strips
mats/plates		
EU optical wide area 96-cap transformer plate	B57701	25 plates
EU optical side area 96-cap plate	B57601	25 plates
Optical cut off 8-cap strip mat (12 x 8)	B57751	50 mats/600 strips
Optical Tear Off 12-cap strip mat (8 x 12)	B58671	50 mats/400 strips
Optical Tear Off 8-cap strip mat (12 x 8)	B57651	50 mats/600 strips
seals		
Optical sealing sheet	157300	100 sheets
Optical sealing sheet, laser marked	157300L	100 sheets
Deidable Optical sealing sheet	157400	100 sheets

*Available in different colors
