

CERTIFICATE OF ANALYSIS

Product	100 bp DNA Ladder, ready to use	REF	306120
Lot No.	SY-H040001BD		
Date of Analysis	08.2024		
Date of Expiry	08.2026		
DNA fragments [bp]	1500, 1200, 1000, 900, 800, 700, 600, 500, 400, 300, 200, 100		
Components	Mix of DNA fragments with additional dye Additional tube of 5x Loading Buffer with dye for sample testing		
Storage	- 18 to -22 °C (avoid freeze-thaw cycles) +2 to +4 °C (up to 6 months)		
QC Assays	Performance test – accurate and clear fragments	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
QC passed	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>	

Signature:**Dr. Herbert Hermann**

The manufactured product satisfies with all forced criteria. The lot was released for sale.

This certificate is a declaration of analysis at the time of manufacturing. This document does not release you from performing the standard control upon receipt of incoming goods.
